

I am opposed to relaxing the media ownership rule currently being considered by the FCC. Please accept the comments of Governor Howard Dean as my own on the issue of further deregulation of the media ownership rules:

1. Delay the June 2nd vote by the FCC.
2. Testify before Congress so that the Representatives of the American people can have the opportunity to question the representatives of the Bush Administration.
3. Allow for, and consider, additional public input. The FCC must provide sufficient opportunity for public input on a decision that affects every American.

Thank you for this opportunity to comment.
